Sprint 2 Plan

Product Name: Colorful History
Team name: Tracer
End date: 24/08/2015

Goal

Present graphs in beautiful forms.

Tasks

User Story 1 - As a user, I want to view my history at a glance.
- Draw word cloud of per-domain hits. (4 hours)
- Draw day-hour heat map. (4 hours)
- Draw pie chart for relative domain hits. (4 hours)

User Story 2 - As a user, I wonder how productive I am.
- Come up with a statistics that can capture the productivity. (5 hours)
- Implement the calculation of productivity. (1 hour)

User Story 3 - As a developer, I want to visualize statistics quickly so that user can get instant feedback.
- Optimize the code. (6 hours)
- Display loading screen so that users feel less boring. (2 hours)

User Story 4 - As a developer, I want our data visualization to be interactive.
- Allow user to filter the data based on duration and domains. (3 hours)
- Allow user to click urls in word cloud. (2 hours)

Sprint total 27 hours
